

# GET INVOLVED!

Join our Citizens Advisory Committee

---

Help shape the future of the **School District of Horicon**. The district is in the process of creating a Citizens Advisory Committee (CAC) to:

-  **Identify and evaluate** immediate, emerging, and future infrastructure, building system, educational, and outdoor space needs.
-  **Propose options/renovations/upgrades** that support safe and accessible learning environments.
-  **Provide purposeful spaces** that inspire innovative learning, accommodate evolving technology, and promote collaboration amongst students, staff, parents, and the community.
-  **Recommend a solution** that is cost-effective for taxpayers and offers an enduring, energy-efficient, and adaptable end-product that will support the School District of Horicon's future students and the residents of all the communities we serve for decades to come.
-  **Serve as information providers and key communicators** to the community throughout the process.

**Contact Rich Appel**

prior to August 7, 2017, if you are interested in joining the CAC.
