

**COFFEE/ SOCIAL TALK WITH THE SUPERINTENDENT**

*The intention of these sessions is for our residents to come and ask questions of the superintendent regarding the referendum or any other topic of their choosing in a casual setting outside of school. During each 'Coffee/Social engagement with the Superintendent' session, Superintendent Rich Appel will give a brief update of what's happening in our schools and district, but more importantly, he will discuss whatever topics or questions are raised by those in attendance.*
