Happy New Year!

It's hard to believe, but the second semester already begins on January 20th! January brings a range of exciting opportunities to continue strong traditions and explore new avenues for growth. Our staff continues to support all our students in their growth, both academically and behaviorally, as well as socially and emotionally. We look forward to continuing to serve our students and help them grow in their own way! If we can be of assistance to you and your family, please do not hesitate to reach out. We appreciate your partnership! Happy New Year!

-Mrs. Schwartz
