## HOLIDAY SHOP

This month, students will have the ability to “shop” for their immediate family members. This is a no cost event for students. Everything they shop for, is donated. Gifts are also wrapped and labeled with the appropriate family member’s name, by our kind volunteers! If you would like to help with items we need donated, or volunteer to wrap, please watch our Horicon PTO Facebook page, for more information and sign ups. If you already have items to donate, please drop it off in the Elementary School Office.

Thank You
