

Family Census Form School District of Horicon 2018

Dear Parent or Guardian:

This form is used to obtain correct information for the school census, which is a state mandated activity. Please answer the questions below with reference to all people who live at your residence within the Horicon School District from birth to 21 years of age, married or single.

If you have a child under 21 years of age who is working out of the district or attending college, your home is considered his/her legal residence for census purposes. Therefore, his/her name should be included on the census report.

Thank you for your time and consideration.
