

School District of Horicon

Substitute Teachers

2023-24 School Year

Position Details

The School District of Horicon is seeking Substitute Teachers for the 2023-24 school year.

All applicants must obtain a current Wisconsin DPI teaching or substitute teaching license. Click on the link below for additional information on how to obtain a substitute teaching license before applying on WECAN to be a substitute teacher with the Horicon School District. <https://dpi.wi.gov/licensing/apply-educator-license/substitute>

This is an on-call position for available teaching opportunities that occur on an infrequent/daily basis throughout the school year. Once your WECAN application has been submitted and the required supporting documentation has been uploaded to your WECAN account, you will be contacted by the District of Horicon. This posting serves as on-going recruitment for the 2023-24 substitute pool.
