

Horicon School District

Child Development Days

Child Development Days is a free preschool screener for children ages 2 ½ - 5 who are not currently enrolled in a 4K or 5K program in the Horicon School District. Participating in the screening will:

- Identify children who may be in need of further assistance;
- Provide you with information and material to support your child's health, learning, growth and development;
- Help parents develop an awareness of community-based resources and services that are available.

Date: February 28

Location: Van Brunt Elementary School
611 Mill Street
