

From all of us at the School District of Horicon to:

**The City of Horicon
Town of Burnett
Town of Hubbard
Town of Oak Grove
Town of Williamstown
Village of Iron Ridge**

We thank you for your overwhelming show of support!

Continue to look for the Marshmen Minute to keep abreast of our efforts, in not only completing a new Elementary School and improvements to the High School, but by continuing to strengthen the foundation of our students, current and future.

Now the work begins.
