

# WEATHER INFORMATION TO PARENTS

SCHOOL DISTRICT OF HORICON  
Horicon, Wisconsin

## Inclement Weather Procedures

Inclement weather\* may force school authorities to delay school starting times, cancel school or dismiss school early. Delays are used because the two greatest hazards to driving in inclement weather are darkness and lack of visibility due to weather conditions. Consequently, when conditions warrant, you will be advised by Radio, Television [and their websites] along with School Messenger Alerts that school starts are to be delayed **two hours**.

1. In the event of inclement weather, please tune into the following radio and television stations for delayed starts, closings and early dismissals.

### RADIO

WBEV-AM 1430  
WMDC-FM 98.7

### TV STATIONS

WTMJ-TV (NBC 4)  
WITI-TV (FOX 6)  
WISN-TV (ABC 12)

The first alert prior to 6:00 a.m. will either cancel school or give information regarding a late start. If we announce a late start busses will run approximately two hours later than normal. A second alert (no later than 8:00 a.m.) may be made to cancel school. Delayed openings will result in school beginning at 10:00 a.m. for 4K-12 students. **AM Early Childhood and AM 4 year old Kindergarten will not** be held on weather related late start days. All students will be dismissed at the usual times should delayed starts be necessary.

2. Should weather conditions force early dismissal of students, Radio, Television [and their websites] along with School Messenger Alerts will advise parents when school will be dismissed.

You may be assured that in all cases of closings, delayed starts or dismissals, the safety of children will be considered first. The normal procedure is to check with law enforcement agencies, the bus company and the weather service. Further, the school is tied into the Dodge County Weather Alert System.

Sincerely,

*Rich Appel*

Richard Appel  
District Administrator

\*Dense fog may be considered inclement weather in addition to snow, ice, etc.
