Welcome to February!

Well, the cold weather snap has certainly helped winter feel like, well, WINTER! Just like that, though, our winter sport and activity seasons are wrapping up, and we are about to gather for our second round of parent-teacher conferences! New families: Please ensure that you submit your applications for open enrollment. We are honored to serve our students now and in the future. Thank you for your partnership and trust in the education of our students!

CPR, AED, & FIRST AID TRAINING

Pictured is Mr. Ferron practicing CPR during recent CPR, AED, and First Aid training. A huge thank-you to certified trainers Nurse Tasha Manthey and Mrs. Ceithamer, who have already trained 22 staff members and coaches. We're grateful for their dedication to school safety and to the Marshmen Foundation for donating training mannequins that make this hands-on learning possible.

Quick quiz: Do you know where the AEDs are located in our school building?

3. Maximizing college readiness

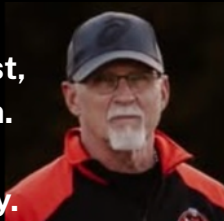

Congratulations to all of our HHS AP Teachers and Students!

Meet Mr. Steve Schmidt, Para Substitute

Known around the district as Mr. Steve, he joined Horicon nearly two years ago as a substitute—something that started well outside his comfort zone and quickly became a place he now calls home. He lives in Beaver Dam with his wife, Nanci, their Border Collie Smoki, and cat Flurry, and is grateful for the respect and appreciation he feels from students, staff, and teachers, sharing that working at Horicon has made him a better person. Mr. Steve also proudly assists with the Horicon Track & Field and Cross Country programs.

Fun facts: Mr. Steve is a proud Air Force veteran, a former Oklahoma 2-mile state champion, a weather-watching enthusiast, and can be found most mornings at 5 a.m. at Beaver Dam McDonald's with Smoki, enjoying a Diet Coke and planning his day.
