May Greetings, Marshmen Families!

It is hard to believe we have reached the final full month of the school year! I am excited to see our incredible and talented Senior Marshmen who will cross the stage to graduate on May 16 at 1 pm.

May is always a busy and exciting time as we celebrate student accomplishments and prepare for the end of another successful year. We encourage all students to stay focused, continue working hard, and finish the year strong!

Looking ahead, summer school will begin on June 1. Please be sure to check this edition for important information regarding our summer feeding program and meal opportunities.

As always, thank you for your continued support of our students and school. Have a wonderful May!
