

We are thrilled to announce our 2026 Horicon Summer School lineup!

All summer school courses can be found at the link below. Please click on “Elementary” for students *entering* grades 1-5 and “Middle-High School” for students *entering* grades 6-12. Most non-credit classes in our summer school program will run June 1-18, Monday through Thursday.

- *Elementary math or reading skills classes are open BY INVITATION ONLY. Please only sign up for these classes if you have received an invitation from Mrs. Sawyer.*
- *Students interested in (or needing) high school credit recovery should look for an email from Mrs. DeZeeuw. You can sign up for these classes in the summer school catalog (as described above). Credit Recovery classes run June 1-25.*

**All summer school courses are offered on a first-come, first-served basis, so be sure to register your child(ren) ASAP! If classes are full, you can select to be added to a waiting list.**

**VERY IMPORTANT:**

- In this system, you must create an account (unless you made one last year).
- After you create your account or add courses to your cart, you'll add your child(ren) as participants, and you will be the “payer.” The R-School system will prompt you as you go.
- **You MUST update your contact information and the grade your student is entering. PLEASE update this information for the R-School system. It is not linked to Power School.**

**Skills and Drills**

Skills and Drills will be offered again in the afternoons. This will be an engaging and active opportunity for students in grades 3-5 and 6-8 to learn more about various sports while they work with our teachers, coaches, and student volunteers. These will be offered in the afternoons so that students are able to spend all day at summer school if they choose!

If you are a student participating in summer band with Mr. Ferron ([cferron@horicon.k12.wi.us](mailto:cferron@horicon.k12.wi.us)) or summer Agriculture experiences with Mrs. Kern, ([akern@horicon.k12.wi.us](mailto:akern@horicon.k12.wi.us)) please contact those teachers directly. It will still count for summer school participation but will be scheduled separately. Busing is not provided for these opportunities.

Click [HERE](#) to see our course catalog!!

**Driver's Education**

Please see the middle/high school course offerings to sign up for Driver's Education if your child is 14.5 or older. Driver's Education runs June 1-25.

**Transportation**

Transportation (busing) is not available for the summer school program.

**Breakfast and Lunch**

Once again, the Horicon Nutrition Department will be offering free summer meals to anyone 18 and under, June 1-18. Breakfast will be served from 7:30-8:00 am in the cafeteria. Lunch will be available “**to-go**”. Students will be handed a lunch as they leave at 12:00 pm. Students will be picked up in front of the school.

We will also be offering a 3-day meal pick up for all children 18 and under for the weekend, starting June 4. Please watch for sign-up and menus. These meals will be available for pick up in the front of the school starting at 12:00 pm on Thursday, June 4, 11, and 18.

7-day meal pick-ups are available starting June 25. Families must sign up. Click [HERE](#) to sign up for meal pickups.

If you have any questions about summer school options, please contact Lisa Sawyer at [lsawyer@horicon.k12.wi.us](mailto:lsawyer@horicon.k12.wi.us), or Elissa Retkowski at [eretkowski@horicon.k12.wi.us](mailto:eretkowski@horicon.k12.wi.us).

Registration ends May 1, 2026!

Thank you, and ENJOY!

Mrs. Sawyer, Mr. LeBouton, and Mrs. Retkowski
